Soul is Topic Of Sunday's Lesson-Sermon

The Sunday lesson-sermon on the subject of "Soul" in all Christian Science churches explains and illustrates how the understanding of God, Soul, blesses and heals mankind.

In the Golden Text the Psalmist sings (130:6), "My soul waiteth for the Lord more than they that watch for the morning."

A passage from Matthew (15: 30, 31) relates that great multitudes came to Jesus "having with them those that were lame, blind, dumb, maimed, and many others . . . and He healed them: Inasmuch that the multitude wondered, when they saw the dumb to speak, the maimed to be whole, the lame to walk, and the blind to see; and they glorified the God of Israel."

In the Christian Science text book, "Science and Health with Key to the Scriptures" Mary Baker Eddy says, "Knowing that Soul and its attributes were forever manifested through man, the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine Mind on human minds and bodies and giving a better understanding of Soul and salvation" (p. 210).

Easter Service Plans Formed For Rose Bowl

The Easter parade will take a new turn in the Pasadena Rose Bowl at the fifth annual sunrise service, the interdenominational sponsoring committee of 100 laymen announced today.

The service will conclude with an orderly parade of Sunday School children from Southland churches who will form the first procession of worshippers leaving the bowl at the conclusion of the service.

While they leave the service, the instrumental and musical groups, joined by the congregation, will lift their voices in the singing of "Onward Christian Soldiers."

The Sunday School youngsters will be led in their procession across the Rose Bowl field, in front of the huge decorative motif, by Donn Moomaw, All-American linebacker and UCLA football star.
